

## “BUILDING FOR THE FUTURE”

Dear club member,

Since 1979, Cobequid Spartans has been an important part of our community and has touched the lives of thousands of children. Currently over 800 children are part of the Cobequid Spartans family involved in our recreational and competitive programs. Since the beginning, Spartans has produced athletes that compete at provincial, national and international levels and we are proud to be the home of two current members on the core gymnastics team for the 2011 Canada Games.

Gymnastics and trampoline are sports that focus young minds, elevate fitness and develop self-discipline, confidence, coordination and team spirit. Your child’s time here at our gym is a building block in developing a love for healthy living and fitness that will become a life long habit.

When this facility opened 31 years ago, our gym was the best-equipped facility east of Montreal. Looking around now you can see that we have out grown our current home and that the building is in need of updating. Our goal is to build a new facility where the children of this community and surrounding areas can do what they love in a healthy and safe environment. As a board, we realize that it will be a huge undertaking, with no immediate tangible results, but know that is necessary to ensure the sustainability of our club for years to come. It has been talked about for many years, but now is the time for us to begin to plan for our future and the continued success of this club. It is projected that a new facility will cost upwards of \$1.5 million dollars. We cannot do this without your help!

Beginning in May 2010 as part of your registration for next year, Cobequid Spartans will be issuing tickets for cash draws to be held twice a year. Proceeds from these events will kick off our building fund. The tickets must be purchase when you register. You then have the option to fill out the tickets yourself or sell them to family and friends to recover your costs.

Cobequid Spartans Board of Directors and Building Committee members would like to thank you for your support in helping us to take the first step towards our “building for our future.”

Respectfully,

Cobequid Spartans Board of Directors

# Ticket Lottery Information for Sellers
